### 1. Recommendations

1. That the Committee reviews and approves the attached Programme of Work draft subject to ongoing development.

## **2. Purpose of report**

The purpose of this report is to provide the Committee with a draft schedule of approvals and other work for 2017-18, for discussion and further development.

## **3. Context**

3.1 The Programme of Work is intended to ensure that the Committee plans essential work and approvals to ensure that these key responsibilities are not overlooked, and that they are visible in the interests of good governance practice, transparency, and communication.

3.2 The Internal Audit Report of Risk Management and Governance of March 2014, while noting evidence of good practice, identified a “small number of improvement opportunities” for governance arrangements. The report included a recommendation that the Board of Management Committees develop programmes of work for each academic year.

3.3 The attached draft Programme of Work includes the terms of reference for the Committee, together with the required approvals as recorded in the Board Schedule of Approvals, and will also include any additional report submissions, performance information, and other assurances required by each Committee on behalf of the Board of Management.

## **4. Impact and implications**

4.1 In adopting the Programmes, the responsibilities and requirements of each Committee is made clear. This enables effective work planning and timetabling to be undertaken, as well as providing a transparent indication to all of the work being done by the Board and its Committees.

4.2 This also provides clear information, relating to their responsibilities, to other Board members, prospective Committee members and conveners, as well as new Board and Committee members.
