- 1.2. To note the Risk Management Action Plans for risks reported to the Committee.

2. Purpose

- 2.1. To provide the People & Culture Committee with an update on the most recent quarterly review of the College's strategic risks for those reported to the Committee. The Strategic Risk Register and the Management Action Plans (MAPs) are enclosed.

3. Consultation

- 3.1. All strategic risk owners were consulted during the latest quarterly review.

4. Key Insights

- 4.1. Risk management is a key component of the College's internal control and governance arrangements and, as such, is an important responsibility of the Board of Management, the Executive Leadership Team (ELT) and the Senior Management Team (SMT). Final approval of the Strategic Risk register is reserved to the Board and the Audit & Assurance Committee has oversight over the College's risk management approach.
- 4.2. ELT and SMT members are invited to review the risks they own on a quarterly basis. This is to ensure that the College, our Board and its committees, remain aware of any changes in the risk environment and that our risk management plans remain up-to-date and effective. Committees review the risks that are within their remit and recommend any changes to the Board for final approval.
- 4.3. The Strategic Risk Register and the MAPs are enclosed for the Committee's consideration and approval of members. 3 strategic risks are reported to the Committee. No changes to risk scores are proposed in this review.

5. Impact and Implications

- 5.1. The effective management, control and mitigation of risks are essential to the College's institutional and financial sustainability, compliance, reputation and future growth.

SR10	Failure to attract, engage, and retain suitable staff	VPPCS	<p>There is a risk that the College might fail to attract, engage, and retain suitable staff due to issues like recruitment challenges, staff development gaps, and insufficient training strategies.</p> <p>To treat this risk, the College will implement a People & Culture Strategy. This strategy, spanning 2021-2030, is built on four key aims: develop a comprehensive workforce plan; offer collaborative support to our people; establish a new world of work; and enhance employment relations through culture.</p>	<p>Jan '24: As the College continues to right size and adjust to financial/funding challenges, delicate balances (along with fair and robust process) are in place to ensure the right people are recruited and retained. As the largest College in the sector City has to continue to position itself as the best and safe / stable organisation to work.</p> <p>Oct '23: Further April update, the College has experienced difficulty in attracting and retaining people in key roles.</p> <p>April '23: P&C Strategy focuses on workforce planning, collaboration, and employment relations. A hybrid working guide supports Covid-19 recovery. Challenges in staff attraction and retention are anticipated amidst significant changes, including VS and CR.</p>	Medium	Low	4	4	16	3	5	4	20	↔	Jan '24	<p>Aug '23: Edited for transfer to new MAP.</p> <p>June '23: Score increased from 4 to 16.</p>
SR17	Negative impact of industrial action	VPPCS	<p>There is a risk of service disruption and a negative impact on the College's reputation resulting from industrial action.</p> <p>To respond to this risk, the College has two established negotiating forums for lecturing and support staff, with the frequency of meetings based on the Recognition & Procedure Agreement and current requirements. The College has also signed the National Recognition & Procedure Agreement and is a member of College Employers Scotland. All "in scope" pay and terms and conditions negotiations now take place at the National Joint Negotiating Committee.</p>	<p>Jan '24: Unison returned a national ballot in favour of industrial action in Dec '23, followed by EIS-FELA in Jan '24. Nationally, the College/sector should expect industrial action or Action Short of Strike Actions (ASOS) in the spring of 2024, in a dispute over pay and conditions. This is in essence the continuation of a decade of national dispute in the sector.</p> <p>Oct '23: Re-ballot for industrial action ongoing. College seeks resolution through ending organisational change and collaborating on a Fair Work statement with unions.</p> <p>Apr '23: College faces potential lecturer strikes and ASOS over pay. EIS-FELA's national mandate includes strikes from Academic Year 2023/24. Financial challenges have fueled 8 years of continuous strikes, expected to persist</p>	High	Medium	5	4	20	4	5	5	25	↔	Jan '24	<p>Oct '23: Score increased from 16 to 20.</p> <p>Aug '23: Edited for transfer to new MAP.</p> <p>June '23: Score increased from 12 to 16.</p>

SR18	Failure of IT system security	DIT	<p>There is a risk of a failure of the College's IT system security resulting from potential breaches occurring through cybercrime and other emergency circumstances.</p> <p>To manage this risk effectively, operational controls will be maintained and the Business Recovery Plan will be regularly reviewed. Robust IT Disaster Recovery plans will be developed and consistently evaluated. Rigorous testing and reviews will be conducted both locally and at the College level to ensure preparedness. The College is committed to maintaining compliance with GDPR regulations and adhering to the UK Government's Cyber Essentials Plus recommendations. Furthermore, a continual process of enhancing cyber defense and response capabilities within the College will be upheld to proactively address emerging threats.</p>	<p>Oct '23: Multi Factor Authentication (MFA) fully rolled out for both staff & students. IT Disaster Recovery, Business Continuity & Cyber Incident Response Plans now developed & successfully tested (externally verified by Ashton Resilience Oct '23). College Firewalls being upgraded (upgraded Oct '23). College now has Amazon (AWS) cloud tenancy configured with plan to use this to host fully offline, immutable backups by Nov '23.
