2. Purpose

- 2.1. To provide the Committee with an overview of planned business and papers for the forthcoming academic year and, subject to discussion and feedback, approve the schedule of business.

3. Consultation

- 3.1. In preparing the enclosed Schedule of Business for the Committee, the Associate Director of Governance and Risk has consulted the Convener and all colleagues who are scheduled to provide reports to the Committee.

4. Key Insights

- 4.1. The Schedule of Business helps the Board and the Committee plan and prioritise its work and the reports and presentations members will consider throughout the year. By standing items and specific meeting dates, the document confirms the subject, lead, report type and action required.
- 4.2. While the Schedule of Business outlines anticipated and planned activity for the year, members should note and be assured that this schedule will remain adaptable to emergent issues and business within the remit of the Committee as necessary.

5. Impact and Implications

- 5.1. Having in place an agreed Schedule of Business helps balance the necessary activity and approvals of the Committee over the course of the academic year, ensures Board members are aware of expected business and supports the College's officers to prepare reports within the required timescales.
