

# UNLOCK GROWTH THROUGH INNOVATION LEADERSHIP

Staying ahead of your competition  
requires more than just keeping up  
- it demands innovation.

## At the Centre for Innovation Leadership, we help businesses to navigate uncertainty and inspire innovation.

Leveraging the latest best practices in innovation, we provide support on both innovation strategy development as well as using sector-leading tools and techniques, enabling your team to build successful innovation programmes and interventions.

### WHAT WE OFFER:

- **Executive Workshops:** Tailored sessions to enhance leadership skills in innovation strategy and execution.
- **Blue Ocean Strategy Development:** A workshop supporting the development of new markets through creative thinking and originality.
- **Research Insights:** Access to the latest trends, case studies, and best practices in innovation leadership through curated publications and reports.
- **Consulting:** Bespoke advisory services to support businesses in developing and implementing innovation strategies aligned with their goals.
- **Ideation Labs:** Facilitated sessions accelerating the development of ideas and solutions.
- **Training and Skills Programmes:** Professionally accredited courses covering various aspects of innovation leadership, from design thinking and digital transformation to developing an innovation culture and core innovative competencies.
- **Ecosystem Engagement:** Advisory services and signposting to an active and ever-expanding network of innovation support.

### READY TO GROW?

Whether your business is large or small, we can help.
