Guest of Honour

Sandy Begbie CBE

SFE Chief Executive

Sandy Begbie CBE was appointed Chief Executive of Scottish Financial Enterprise in October 2020.

Prior to joining SFE, Sandy led the development of the Scottish Government's Young Person's Guarantee following an 18-month contract at Tesco Bank as the Chief Transformation Officer.

Sandy was responsible for the Global People, Organisation and Culture Integration following the successful merger of Standard Life and Aberdeen Asset Management. Before the merger Sandy was the Chief People Officer and Lead Executive for China and Hong Kong for Standard Life for eight years. During this time, he led the Standard Life HR team to be recognised as one of the top performing functions in the UK and also led the turn-around of Standard Life's Chinese Joint Venture. Sandy was appointed Senior Advisor to the Standard Life Asia Board in July 2020, having been Chair of the Hong Kong-based Board since 2014.

Before joining Standard Life plc in May 2010, Sandy held similar Transformation and Group HR Director positions within Aegon, Scottish Power and the Royal Bank of Scotland.

Sandy holds several non-executive positions including Chair of Career Ready, Non-Executive Director of Place 2 Be and Chair of Developing Young Workforce in Scotland.

Sandy was awarded a CBE in the Queen's Birthday Honours List in August 2018 for services to business and social inclusion and was elected as a Fellow of the Royal Society of Edinburgh in March 2023.

About Scottish Financial Enterprise

Scottish Financial Enterprise (SFE) is the representative body for Scotland's financial services industry. Our member companies range in size from global organisations headquartered in Scotland, to international companies with substantial operations in Scotland through to small, locally-based fintechs and support companies drawn from all areas of financial and related professional services.

SFE's vision is to promote a stronger, more inclusive and sustainable financial and related professional services industry that can play its part in solving the big challenges of our time, both locally and globally.
